

Aero Controls Pty Ltd

Date: 5 March 2026

Subject: Statement of Collaboration

TO WHOM IT MAY CONCERN

Woodward is a leading independent designer, manufacturer, and service provider of control solutions for the aerospace and industrial markets. Woodward Australia Control Solutions Pty Ltd, based in Sydney, Australia, is committed to delivering the highest OEM standards of quality and service to customers across Australasia.

This letter serves to confirm our strong and collaborative relationship with Aero Controls & DLE Consultants Pty Ltd (Aero Controls Pty Ltd), ABN: 22602324774. Aero Controls Pty Ltd employs highly experienced gas turbine experts who align with the standards and values upheld by Woodward. Our partnership spans over 10 years, during which we have worked together to supply Woodward products and services to their customers, fully supported by Woodward as the OEM.

As part of this collaboration, Woodward Australia provides Aero Controls Pty Ltd with genuine Woodward products, repair services, warranty coverage, software, and technical support. We guarantee that all products supplied are authentic, covered by OEM warranties, and meet the high standards of quality that Woodward is known for.

Furthermore, Aero Controls Pty Ltd is Woodward Australia's preferred installer for control upgrades, system modifications, and other field services. They have been engaged and approved by Woodward Australia to deliver installation, commissioning, and ongoing support services in accordance with our agreement.

We value our partnership with Aero Controls Pty Ltd and look forward to continuing to work together to deliver the exceptional service and products that our customers expect.

Should you require further information, please do not hesitate to contact us.

Sincerely,

With kind regards,

Roland van der Voort
